Elect Jimmy Dale

School Board Member - District #2

To All Concerned Parents and Taxpayers in School District #2

My name is Jimmy Dale, and I am a candidate for the Board of Education in School District #2. I am a life long resident of Nicholas County who attended NCHS, and graduated from NCHS in 1981. I have one child in the primary program at NCHS, and another starting kindergarten in 1994.

I am presently serving a second term on the School Board Decision Making Council at NCHS. Through service on the Council, I have witnessed firsthand some of the important needs of the Nicholas County School System. As a Council member, I am involved in many decisions concerning the curriculum and budget matters in the elementary school. I feel my experience with the SBDM Council qualifies me to participate on a higher level with the Board of Education.

Our schools in Nicholas County are already leaders among many other school systems in Kentucky, specifically in implementation of the KERSA. Would you like our schools to continue in the forefront? Then I ask for your support on November 2nd, electing my representative on the Board of Education for School District #2. I will do my best to continue educational advancements in Nicholas County.

Sincerely, Jimmy Dale
