

Saltwell News

By Mrs. Fred Hollar

Mrs. Hazel Boring underwent surgery at Harrison Memorial Hospital and was able to return home Friday. She had several visitors during her stay at the hospital and she is returning home today.

Mr. and Mrs. Paul Jones and Barbara Crawford, Crawford-Kenny, James Paul and Justin Gray attended the funeral of Mrs. Gretchen Gause, age 91, in Hamilton, Ohio on August 28. Burial was in Rose Hill Cemetery in Hamilton.

Rubie Doyle of University of Kentucky spent the past week-end with his parents, Mr. and Mrs. Charles Doyle. Dean Livingston of Suggs Road, Underwood major surgery at Humana Hospital on Tuesday. He had five fever blisters and is doing well at this time.

Don't forget the Emmanuel and Hester Mattie Reunion this Sunday, September 12 at Blue Licks State Park. The community regrets being our good neighbors, but the Blue Licks who moved to their new home in Carlisle on Saturday following the sale of their personal belongings. We welcome our new neighbors, Robert and Linda Young and daughter of Lexington who plan to move there soon.

Mrs. Verena Karky went to a nursing home in Lexington one day the past week. The Bartlesville Reunion closed on Sunday morning. It was well attended! Rev. Jack Whitte was the evangelist. Lunch was served on Sunday.

Rev. and Mrs. James Gause were at Garrison, Kentucky on Sunday morning to fill in for the pastor there. J. Kenney, Scott, Chris Kenney, J.A. Nubala, and Mrs. Terry Kenney, Sharon Kenney were Sunday dinner guests of Mrs. Mae Kenney.

Rev. Randall Hill, former pastor of Headquarters and Memorial Churches in way in St. Joseph Hospital after suffering a stroke. Daisy and Martha Kennedy enjoyed ice cream and cake with Mr. and Mrs. Raymond Kennedy of Lexington honoring Mrs. Kennedy's birthday. Other present were Mr. and Mrs. Herbert Blakeman and Dana, Mr. and Mrs. Mike Miller and son Justin and Mr. and Mrs. Arthur Rankin.

Mrs. Louise Gause returned home the past Monday after major surgery at St. Joseph Hospital the previous week. Mrs. Dolores Caswell was Sunday dinner guest of Mr. and Mrs. H.A. Gause and Amanda, Kenneth Gause and Ramona Doll and two children of Lexington also visited them the afternoon.

Mrs. Bobby Brady visited their niece, Mr. and Mrs. Norman Saunders (Frieda Whitton) and children, Georgia Shuman, Sarah Maxine and Seth Taylor at their home on Saltwell Road on Saturday. Mrs. Phyllis Brady visited Mr. and Mrs. A.D. Doyle, near Odenville on Thursday night, also Mrs. David Doyle, Pendergast.

Mrs. Phyllis Brady visited Ricky Doyle at Harrison Memorial Hospital on Saturday and visited Mrs. Bonnie Snapp on Sunday afternoon.

Hill, Hall announce engagement

Mrs. Mary Hill of Carlisle, is proud to announce the engagement of her daughter, Elizabeth Ann Hill, to Derek Keith Hall, son of Mr. and Mrs. Roger Hill of Jenkins.

Mrs. Hill is a 1990 graduate of Nicholas County High School and is attending Morehead State University. Mr. Hall is a 1988 graduate of Jenkins Independent High School and is a 1992 graduate of Morehead State University.

The area meeting to be held in Lexington at the Red Mill in October was discussed with registration paid to the treasurer by September 27. We really enjoyed going to Benfro Valley to the area meeting last year.

The lesson was given by Elizabeth Ellington on "Heirlooms - and their care." Some hints were: They need air so don't put them in plastic bags, avoid acid and water damage, and remove stains from older fabrics; reinforce or repair damaged areas to older clothing. She also gave hints.

Elizabeth Ann Hill & Derek Keith Hall
Curtis family holds reunion
The Curtis Reunion was held at the Blue Licks State Park August 26, 1993. Those attending were Mr. and Mrs. Durward Curtis from Dayton, Ohio; Elaine Hughes from Indianapolis; Anna Mae Curtis and Mr. and Mrs. Aaron Burtz from Louisville, Mr. and Mrs. George Lowe, Mr. and Mrs. Donna Lowe and Shelly from Covington; Mr. and Mrs. Michael Johnson and Matthew from Covington; Mr. and Mrs. Mike Robinson, Tina, Scott and Megan from Fairborn, Ohio; Mrs. Betty Johnson from Columbia, Mo.; Mrs. Virginia; Mr. and Mrs. Byron Fryman, Mr. and Mrs. Marshall Fryman and Co. all from Nicholas Co.; Mr. and Mrs. Herschel Sawings, Steve, Angela and Andrew from Hobbs; the Kimberling and Naomi derson visited in the afternoon. A nice time was enjoyed by all.

Smart's to mark 30th

Joe and Flora Mae Smart

The Smarts have two sons, Harvey Dennis and Joe Smart of Carlisle will celebrate their 30th wedding anniversary with a reception September 12, 1993 from 12:00 to 2:00 p.m. at First Baptist Church of five grandchildren.

The couple were married September 6, 1963 in Mayville, Kentucky. The couple request no gifts.

Flora Mae and Joe O. Smart of Carlisle will celebrate their 30th wedding anniversary with a reception September 12, 1993 from 12:00 to 2:00 p.m. at First Baptist Church of five grandchildren.

Flora Mae and Joe O. Smart of Carlisle will celebrate their 30th wedding anniversary with a reception September 12, 1993 from 12:00 to 2:00 p.m. at First Baptist Church of five grandchildren.

Homemaker News

The Maconfield Homemakers Club met at the home of Lucille Clark with 13 members and our new agent, Melba Burch, on September 2, 1993.

Alma Curtis, president, presided over the business session. Wanda Mathen gave the devotional, "Beginnings and Endings." We answered the roll call by naming a leaf. The minutes were read by Lois Hamm and approved.

The treasurer's report was given. The dues this year are \$7 including \$2 in place of food sale.

Where would we be without Romans 8:28? Sometimes it is difficult to understand the things that occur in our lives, or in the lives of those we love. Certainly all of us have experienced crises, difficulties, trials, uncertainties, disappointments, and heartaches that left us asking questions. Questions like, "Why? What is the purpose for this? Where is God?"

While Romans 8:28 does not attempt to answer all of those questions fully, it does provide a precious promise that can often sustain us in even the most desperate of situations. It says, "And we know that all things work together for good to those who love God, to them who are called according to his purpose." (Romans 8:28, King James Version)

There are various ways to interpret what this verse is trying to say. One I hear quite often is, "God caused this to happen for some good purpose." The problem with this interpretation is that many find it difficult to believe that a loving God would "cause" something bad to happen to someone in order that something good might happen to another.

There is another way to look at this verse that better captures the spirit of what it is trying to say. When the scholars who compiled the New International Version of the Bible went back to translate this verse from the Greek language in which it was originally written, they worried it in English like this, "And we know that in all things God works for the good of those who love him, who have been called according to his purpose." What this means is that God is working to bring about the good of those who love him, who have been called according to his purpose.

Cholesterol needed by body, but not in quantity

What is cholesterol? Where is it? What can I do about it? Cholesterol is a hard, waxy, fat-like substance that has many important functions in our bodies. Cholesterol is used in every cell membrane, and it is used to make certain hormones and vitamin D, helps digest fat, and protects our skin from drying out and cracking.

Cholesterol can cause problems when there is too much of it in our blood. This happens because cholesterol can build up in our blood vessels, which causes heart attacks and strokes. 54% of all deaths are related to cardiovascular disease, which is about 1 million deaths each year.

Cholesterol comes from two places: the cells in our bodies make it, and we eat cholesterol in animal foods. The amount of saturated fat we eat influences how much cholesterol is made in our cells. The best way to keep your cholesterol down is by eating foods that are low in cholesterol and saturated fats, foods that are high in fiber, and getting exercise every day. Foods that are high in cholesterol and saturated fats include: bacon, sausage, lunch meats, and hot dogs.

Learn more about cholesterol and how to keep it under control. Visit our website at www.cholesterol.com or call 1-800-368-3636. We have a free booklet on cholesterol that you can request today.
