Help Stop This Killer!
 Cancer of the prostate is the second leading cause of cancer related deaths among American men. One out of every 11 men will develop prostate cancer sometime during their lifetime. During 1993 alone, there will be over 165,000 new cases. There will be over 35,000 deaths, many of which could be prevented with early diagnosis and treatment.
 That's why Bourbon General Hospital and Dr. Rosen, our new Urologist, are offering these free prostate cancer screenings. Just one of many progressive steps that we are taking to provide outstanding medical care - right here in Bourbon County.
