Eagles

in the first 30 minutes, and lost three of the minutes.

Morehead's Craig Pleasant recovered MSU's on-sides kick to begin the second half, and the Eagles were in business at the MSU 49.

Bass went straight up the middle on the first play from scrimmage for 20 yards to the UAB 31.

The offense began to stall, but on fourth and three, Adam McCormack found Bass 13 yards away for a first down at the UAB 11.

On third and three at the Blazers' four, McCormack found Wes Salyer in the end zone for the touchdown. With 11:48 to play in the third quarter, Larsen's point after kick cut the Blazers' lead to 31-7.

Morehead's defense held UAB and the Eagles had the ball back at their own 20 with 9:10 to play in the quarter.

The Eagles wasted little time in cutting the margin again, as Bass went around the right side for 80 yards and an Eagles' score.

Larsen's point after kick again sailed through the uprights and Morehead trailed 31-14.

The second touchdown, though, marked the end of MSU's successes on offense.

The Blazers scored twice to lead 45-14 going into the final 15 minutes.

Morehead did move to the UAB 29 early in the fourth quarter, but three incomplete passes stalled the attack.

UAB took its next possession and moved the ball to the MSU 43 before giving it back.

Morehead fumbled the ball away at the Eagles' 10, and UAB used one play to set the final margin at 52-14.

UAB finished the game with 27 first downs, while Morehead had 19.

The Eagles' final statistics were an improvement from intermission, finishing with 318 yards total offense, while UAB finished with 482.

Errors haunted Morehead losing four fumbles and giving up one interception.

Bass finished the game as Morehead's leading rusher and 107 yards on eight carries.

Passing McCormack was 14 of 26 yards with one interception for 128 yards.

Derick Pinkney led Morehead with 11 tackles and one interception from his free safety position.

Morehead will hold Parents' Weekend, this Saturday with a 7 p.m. kickoff against West Virginia Tech.

October 25 MSU is on the road again with a 6 p.m. kickoff against Tennessee Tech.

School Board....

"They said they cannot survey the area in the hollow until the leaves fall from those trees since they cannot shoot clear across, but they did say they would look into getting a grant for approximately 25 percent of the total cost of the project. That is where we are now."

The Board of Education approved out of county attendance contracts with Robertson, Montgomery, Fleming, Bourbon, Bath and Pen dependent schools for the 1993-94 school year.

"This year we project we will run at a deficit of 10 students. Last year we had a deficit of 29 students, so that number has dropped significantly," Rob Lane, said.

The next meeting of the Board of Education will be held October 11, 8 p.m.
