I would like for you to bring me a Micro Machine-Super Van City, a Talk Boy from Home Alone II and three movies (3 Ninjas: Kick Back, Hocus Pocus, Mighty Ducks 2). Since my list is not too long, you might want to bring me a few surprises.

Please remember all my friends at school and church. Also do not forget my Mamaws, Papaws, Aunts, Uncles, cousins, Kara, Ashton, Daddy and Mommy. They are all very special to me. I will leave you Pepsi and cake under the tree!

I love you!
Tyler Duncan
P.S. My dog, Dusty would like a surprise too!

Dear Santa,
My name is Jenci Smith and I am nine years old. This year I would like a fairy winkle, a Quiz wiz, some clothes, lite brite, a flash screen and anything else you would like to bring me. I have a little brother, he is eight weeks old and his name is William Ethan. Since he is so little I am going to write this letter for him: He would like some toys, clothes, some baby cassettes, and anything else you would like to bring him.

Love,
Jenci and Ethan

Dear Santa,
My name is Austin Frederick but they call

This year I would like a pair of Reebok shoes, and easy bake oven, some accessories for my easy bake oven, a little tikes kozoy coupe, and my own phone. Please don't forget my bed little friends Faye, Laura, Bev, and Elizabeth. I'll leave you a diet pepsi and some cookies under the tree.

Please bring my baby sister, Ashley, a phone and a new packie.

I Love You, Santa,

P.S. I'm trying to be a good girl!

Dear Santa,
Will you please bring me a Ken barbie doll? I know you and the elves are working very hard. I would also like the barbie with the glitter hair, if you can get it. If you can't get that, it is okay. If you can find one, will you please try to give me a purple bike? Can you make me a new baby doll? I have been a very good girl.

Love,
Staci Dawn Myers

Church Corner

The following is an article written by a local church official, and does not necessarily reflect the views or opinions held by The Carlisle Mercury or Port Communications, Inc.

By Steve Smith, Minister, Carlisle Christian Church

"Twas the Night Before Jesus Came"

"Twas the night before Christmas came and all through the house . . . Those words stir so many wonderful childhood memories for many.

Someone I don't know who, has taken the time to compose a different version.

'Twas the night before Jesus came and all through the house,

Not a creature was praying, not one in the house. Their Bibles were lain on the shelf without care.

In hopes that Jesus would not come there.

The children were dressing to crawl into bed.

Not once ever kneeling or bowing a head. And mom in her rocker with baby on her lap was watching the Late Show while I took a nap.

When out of the East there arose such a clatter, I sprang to my feet to see what was the matter. Away to the window I flew like a flash, tore open the shutters and threw up the sash!

When what to my wondering eyes should appear, But angels proclaiming that Jesus was here. With a light like the sun sending forth a bright ray, I knew in a moment this must be The Day!

The light of his face made me cover my head. It was Jesus' returning just like He had said.

And though I possessed worldly wealth and wisdom I knew when I saw Him in spite of myself.

In the Book of Life, which He held in His hand, Was written the name of every saved man.

He spoke not a word as He searched for my name: When He said, "It's not here," my head hung in shame.

The people whose names had been written with love. He gathered to take to His Father above.

With those who were ready He rose without a sound, while all the rest were left standing around.

I fell to my knees, but it was too late: I had waited too long and thus sealed my fate. I stood and I cried as they rose out of sight; Oh, if only I had been ready tonight.

For Christmas I would like for you to bring me a Tricycle and little red wagon to go with it, a Farm Set and a Monster Truck, some Hot Wheels Car, a dump truck and a tractor, stuffed animals, also some clothes, school bus, a telephone, Mickey Mouse blanket and Jungle Pals Play Set and what ever else you can think of.

Don't forget my Mommy and Daddy, grandma and grandpaw Hammonds and Granny D. and Uncle Josh Frederick, Great Granny Goose and Great Granny Hammonds.

I love you Santa. I will leave you some cookies and milk under the tree.

Love,
Austin Frederick

Saving Energy With A Refrigerator-Freezer

(NAPS)—**Fact 1:** On average, 1993 refrigerators use almost 70 percent less energy than comparable units made in 1972, 45 percent less energy than 1980 models, and 25 percent less energy than 1991 models.

Fact 2: Careless use can cancel much of those efficiency gains.

Whirlpool home economists offer this simple checklist to help you measure how "energy efficiently" you use your refrigerator.

• Do you open and close doors quickly, removing or replacing several items at a time?

• Is your refrigerator installed so that it is away from heat sources (ranges, ovens, furnace registers, direct sunlight, etc.)?

• Do you fill refrigerator and freezer to capacity, without overloading or impeding air circulation?

• Are the door gaskets in good condition, with a tight seal?

• Do you clean the condenser coils regularly (about six times a year)?

• Do you set temperature controls so refrigerator and freezer sections are cold enough but not too cold?

How many reasons can you think of to do away with your Cable Bill?
... We can think of over 300.
How many more reasons do you need?
