GENERAL NEWS

Health care

Continued from Page 1
Insurance should go with you, and I think small businesses should be able to offer some kind of health care coverage...

Plan A
Introduced by Congressman McDermitt, is characterized by the following: Single payer state administered with federal funding...

Plan B
Developed by President Clinton is characterized by the following: Coverage is mandated coverage provided through regional alliances...

at least for those conditions other than cancer...
Blasler feels the thrust of health care reform should center on the provision of access...
