Allison named to Mizuno All American Team

Brad Allison, the son of Larry and Sally Allison, has been named to the Mizuno Freshman All American Team.

Allison, a graduate of Harrison County High School and present Morehead State University sophomore, made the All-OVC Team as well as the All-OVC Tournament Team as a freshman last season.

To say the least, most sports writers agree Allison is fast making the name Allison synonymous with baseball achievement.

And he's determined to follow Stan Walker and Chris Phillips, current professional baseball players as well as Harrison alumni into pro ball. "I definitely want to play professional ball. If my number one goal right now, I don't know

if I'm good enough to make it or not. . . I just want the chance to find out," Allison said.

And achievements on the diamond were not a late-breaking aspiration for Allison.

He started playing at the tender age of seven in minor league in Nicholas County and was on the team who won the state championship in the Connie Mack League.

That team went on to represent the state of Kentucky at the national level in Stockbridge, Georgia.

Allison, the grandson of Mr. and Mrs. Howard Allison Jr. and Mrs. Charles M. Cox and the late Mr. Charles M. Cox, all of Carlisle, went on to start for three seasons at Harrison County behind the plate. Although the MSU sopho-
