Carlisle Medical Clinic

Carl Rosen, M.D. Urology

The Carlisle Medical Clinic would like to welcome to its staff Dr. Carl Rosen, Urologist. Dr. Rosen came from the small community of Fran, Kansas, where he practiced since 1984.

Dr. Rosen offers services ranging from performing simple tests for common prostate gland and kidney disorders to complex surgical procedures to treat urinary tract diseases and conditions.

Prostate cancer will strike one out of every 11 American men. Dr. Rosen points out. Early detection is your best preventive weapon. The chances of successful treatment improve if therapy starts in time.

WELCOME BACK
Dr. Brenda Curtz Family Practice

Dr. Brenda Curtz has returned to Nicholas County and is accepting appointments for new patients and former patients at the Carlisle Medical Clinic.

Dr. Curtz received her undergraduate degree from McGill University and her medical school degree from the University of Kentucky. She has been in private practice for 4 years.

Dr. Curtz is glad to be treating Nicholas County again!

Mati Patel, M.D. Orthopedics

Dr. Mati Patel comes to the Carlisle Medical Clinic after a Canadian career of over 25 years as a private practitioner and orthopedic surgeon at Belleville General Hospital. He also served as Chief of orthopedics and Medical Staff President.

He will be treating sports-related injuries, foot related disorders (ie. Bunions), chronic back pain, trauma, bone and joint fractures and deformities, joint replacement, and changes in joints caused by illnesses such as arthritis or tuberculosis.

Dr. Curtz, Dr. Patel, & Dr. Rosen are currently seeing patients at the Carlisle Medical Clinic. Call 289-4124 today to schedule an appointment.
