GENERAL NEWS

Council
Continued from Page 1
The ethics code must have standards...

Councilman Charles Fay introduced a motion to modify the sample to include only sections one through six.

The motion passed, but the council motion was introduced by Faulconer to include sections seven, but died.

Residence, in which the filer or any member of the filer's immediate family had during the preceding calendar year an interest of ten thousand (\$10,000) or more.

Writing about veterans makes me remember Sept. 30, 1990. These in the armed services sacrifice their time and sometimes their lives for our country.

My daughter Laura was two and a half when my father went to war that last day of September.

My father went to war that last day of September for the parade for the newspaper I worked for then.

My father went to war that last day of September for the parade for the newspaper I worked for then.

One again working on the resolution policy, Fay introduced a motion to delete the entire resolution section from the sample.

The motion passed, but the council motion was introduced by Faulconer to include sections seven, but died.
