General News

Booth

Continued from Page 3

Albert and Christine Booth were preparing to take a break from taking care of The Old Jail on January 15, 1965. The couple were telling their son, Kenneth, right, goodbye. The Booth's were on their way to California.

In 1980, sisters Louise, one year, and Christine, five, took a trip to a Lexington, Ky., photo studio.

Primary registration April 14 at NCE

Registration for all 1995-96 first year primary students in Nicholas County will be held from 9am until noon, Friday, April 14 at Nicholas County Elementary school. This was formerly known as kindergarten registration.

To be eligible for entry, the child must be 5 years old on or before October 1, 1995. A child is not required to be enrolled in the primary program at age 5; however, if a child enters at age 6, he or she will still enter the primary program at the first year level.

To register, parents must provide the following: an original or state copy of the child's birth certificate, a social security card, a TB skin test certificate, a medical examination, and a certificate of immunization.

Mrs. Joyce McFarland, child family services assistant for Community Action Council will also be on hand to register Pre-Primary and Headstart students.

Parents who are unable to register on this day should contact Rob Lane, Nicholas County Board of Education, 289-3770.

City Council

Continued from Page 1

ity, however, does not exclude the ability of the City Police Department to also enforce this ordinance."

It is also unlawful for anyone to interfere with an agent enforcing the law.

Watson's letter also stated each county in Kentucky must have a dog warden according to KRS Chapter 258. Each dog owner is required to apply for a license that expires each July. License cost is $1.50. The licensing requirements are stated at length in KRS 258.005 through 258.087.

"The dog situation can be a nightmare for all of us. If, like Fayette County and you had to have a dog kennel and such, would be a tremendous amount of money," Clark commented.

CLEANUP DAYS

Cleanup Days for the City of Carlisle April 28 through May 2. The city will pick up along the curb at no charge the following items: refrigerators, freezers, stoves, washers, dryers, water heaters and air conditioners.

Minimal fees will be charged for the city to pick up commodes, chairs, couches, box springs, mattresses, floor model televisions, portable television, and tires. Tractor ties cannot be accepted.

All disposal fees must be paid to the city office prior to pickup.

All limbs, brush and small trees need to be cut before city pickup.

BUDGET WORKSHOP

A budget workshop will be held 7 p.m. Thursday, May 4. The meetings are open to the public. Council members will determine allotment of city funds for everything from police plant, water, etc.

NEW BUSINESS

The council held a first reading on Ordinance 2 which is a book updating of all city ordinances to comply with state regulations.

KU

Council approved a contract with Kentucky Utilities to extend services for street lights for five years.

SHARPSBURG WATER

Council unanimously approved to extend the water purchase contract with the Sharpsburg Water District. Sharpsburg water has extended contract to help it attain loans from Farmers Home Administration. The contract signed with city of Carlisle in 1989 was for 40 years. To receive funding, Sharpsburg needed a new 40 year contract. The new contract should be in effect sometime this month.

Some of the proposed expansion could be in Nicholas County, the mayor said.

WASHINGTON TRIP

The Mayor met with Senator Ed Ford during his trip to Washington D.C. last week. Bluegrass Area Development District funded the mayor's trip along with other Kentucky mayors and judges.

Clark said Ford was receptive to keeping the Nicholas County ASCS office open three days a week and keeping the other two days open at the Mt. Olivet ASCS in Robertson County.

Clark said Ford couldn't say when the change could take place or if it would.
