ARIES (March 21 to April 19) You receive new ideas of a business nature this week that are more than worthwhile. Later in the week, judgment is off regarding spending. Avoid tempting trips to the mall. A minor spat arises this weekend with a close friend.

TAURUS (April 20 to May 20) You could be bothered with minor domestic concerns early in the week. A loved one is a valuable source of inspiration. Listen to this person's advice concerning your career. A coworker is similarly helpful and has many suggestions.

GEMINI (May 21 to June 20) Although you have a clear idea of what you want to accomplish this week, you encounter some difficulty in the actual execution of your plans. Progress is intermittent as a result.

CANCER (June 21 to July 22) Enjoy a spontaneous, unplanned schedule this week rather than one set in stone. Doing things on the spur of the moment together will add spice and vigor to your romantic relationship. However, use caution with spending.

LEO (July 23 to August 22) You'll be busy with assorted jobs around the house this week, as well as other domestic concerns. Some are hit with a sudden inspiration to begin a do-it-yourself project. Try not to be overly critical of loved ones or friends.

VIRGO (August 23 to September 22) Don't give any credence to those ridiculous rumors making the rounds this week. A burst of creative energy later on could lead to artistic achievements. Your love life is dreamy and romantic this weekend.

LIBRA (September 23 to October 22) You could discover a delightful surprise when shopping this week. In general, joy comes through homebased activities at this time. Mix-ups in communication occur with a friend, leading to a missed appointment.

SCORPIO (October 23 to November 21) Local travel could have romantic overtones for singles. You'll feel inspired, confident and creative this week. However, details related to a career matter could bog you down. Domestic life is tranquil this weekend.

SAGITTARIUS (November 22 to December 21) It's better to rely on your own judgment now as someone is deliberately trying to mislead you. An adviser's suggestions at work are also off the mark and should be ignored. Personal projects beckon this weekend.

CAPRICORN (December 22 to January 19) You could be visiting with friends on the spur of the moment early in the week. New information you receive now from a surprising source could change your mind about an investment or business proposition. Look into this carefully.

AQUARIUS (January 20 to February 18) Behind-the-scenes developments are in your favor in business this week. However, you and a partner aren't in agreement about everything and should sit down and work out a compromise. Listen to a different opinion.

PISCES (February 19 to March 20) Be thorough in whatever you do this week. You'll have an unfortunate tendency to skip over details. News comes from friends who live far away. It's a week to enjoy social life and cultural interests.

ANOTHER WORLD: Nick was stunned to learn Maggie and Tomas had been lovers. Michael told John he has leukemia. Vicky saw Ryan with a young woman and came to the wrong conclusion. Laurie and Cass became reacquainted. Acting on a tip, Jake tried to get Joe Carlino to check out his past, but decided to do it himself when he couldn't reach Joe. Meanwhile, Paglina had a surprise proposal for Joe in his hospital room. Jake met with Bunny Eberhardt (Marcia McCabe) in prison. Acting mad, Carl had himself admitted to the sanitarium where he saw the real Rachel. **Wait To See:** Ryan learns more than he expected from Justine.

AS THE WORLD TURNS: Jessica began to cross-examine a nervous Lisa. Unbeknownst to Lily, Lucinda struck a deal with Damian and Orlena. Mike told Rosanna he loves her. A jealous Carly ripped up Rosanna's sketch. While visiting Lily at the clinic, a smug Orlena unwittingly called her Bettina. Sam searched for the incriminating photos Kirk had of her. Mark agreed to help Lily get Luke out of Malta. Orlena injured herself chasing after Lily. Realizing Hal was having him followed, Jeremy used Dani to help cover his trail. **Wait To See:** Mark introduces a new mystery.

BOLD AND THE BEAUTIFUL: Geogre told Sally he persuaded Jasmine to sue her for damages. Learning the tape of Anthony's confession was indecipherable, Macy went to the hotel to keep her "date" with him. He ordered her at gunpoint to put on a flimsy negligee then get into bed. While Maggie got ready for her trip with Dylan, and Jessica prepared for her dinner with Dylan, Maggie agreed it was time she met her daughter's boyfriend. As Anthony aimed his gun at Macy, Sally broke down the window and took the bullet instead. As the police led Anthony away, he told Macy he did it all for her. **Wait To See:** Brooke and Taylor each plan their next move to win Ridge.

DAYS OF OUR LIVES: Carrie slapped Austin after he admitted sleeping with Sami. Alex attempted to reconcile the couple as Carrie fled in tears. Gina opened the puzzle box (which only Tom and Hope could open) and knew she really was Hope. After all, Lucas confronted Carrie. Lexie confronted her Aunt Frankie (Celeste) about burning the family documents. Marlena prayed for John who was still tormented by the sight of Isabella as a demon. Miraculously, Isabella appeared and told him to go on with life and find a new love and was soon gone. Bo told Hope he'll honor his marriage to Billie. **Wait To See:** Billie's plans take a new turn.

Dear Diane

by Diane Van Arsdale

DEAR DIANE:
I'm a working mother and have two children, both in grammar school. Needless to say, I've been busy and I feel as if I'm running all the time. Generally, I have to rush home, make dinner, tend to household chores and then try to get enough sleep to face the next day. Believe me, if there were any way I could be a stay-at-home mom, I would. It's just not possible if we want to meet our expenses.
I have a problem which cropped up recently with a friend of mine. She is lucky enough to be able to stay home and tend to her children. She very graciously volunteered long ago to watch my kids until my husband or I got home from work. She's also very active in the PTA which is always into some sort of activity.
Lately, she's been passing remarks about how working mothers don't do their share of PTA work, how they don't care about their kids and value money over their children's upbringing, etc., etc. I am shocked and hurt. She knows my financial situation. How could she say such hateful things? She still watches my kids, but I'm looking for a different arrangement. I don't need her holier-than-thou garbage.
ANGRY

DEAR ANGRY:
It's a shame how women do this to each other. A working mother is not less a mother than one who works in the home. I think you should sit down with this woman and have a heart-to-heart. Tell her flat out that you're hurt by her judgmental attitude and let her know that if you could, you'd happily be doing the PTA thing — and you're no rushing around like a maniac, going from job to home and back again. If she still doesn't understand, I'm afraid you've lost a friend (who wasn't very much of one to begin with).
