

## Storm causes severe damage at East Union Road area Aug. 9

This is the remains of an above ground swimming pool owned by the Hatton family of Upper Sharpburg Road. The six week old pool measured 18 by 33 feet and was completely destroyed by the high wind.

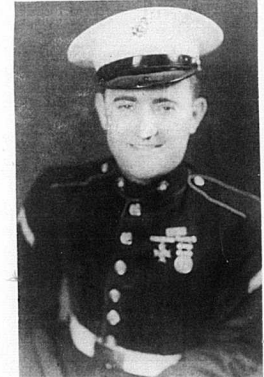

Bicycle and other debris were thrown against this fence during the wind and rain storm Wednesday, Aug. 9 in the East Union Road and Upper Sharpburg Road areas.

The circular ring to the left is where the 18 by 33 foot above ground swimming pool used to be at the Gerard and Linda Hatton residence. The pool was swept away by high wind Aug. 9.

Gerard Hatton of Upper Sharpburg Road stands at the water line in his front yard Aug. 10, the day following a severe storm that wiped out 10 percent of the tobacco in Nicholas County.

### Church Corner

The following is an article written by a local church official, and does not necessarily reflect the views or opinions held by the Carlisle Mercury or Park Communications.

A lawyer asked Jesus, a lone traveler, and a stranger to those parts, but possibly because he supposed to be dead, and a Priest could not gainst the Law and go rear a dead person. That would have made him undead. Something he couldn't take a chance on performing. A Levite also passed him by, for reasons of his own we will never know. The person who stopped was a Samaritan, hated and despised by all for being a part of a group of people who had in THE PAST done terrible things to Jews and their Temples. But this man, this Samaritan, had something the others did not. He had compassion. "Compassion" means, "to suffer with," to feel with, to feel the pain of another. Maybe the Samaritan remembered what it was like to be wounded. Maybe he felt enough of his own suffering to identify and share in the suffering of another.

It is hard for us to understand the pain of someone else. Does it have to be someone we know and love? None of us has been wounded in the same way we can with hair dyes, diets and jogging, or with savings accounts and retirement plans. Eternal life isn't something we banker for only after death. We would have it now—if we could. We return to the Scripture: love the Lord with heart, mind, soul, strength, AND YOUR NEIGHBOR AS YOURSELF. So eternal life equals love of God and love of neighbor. The passage doesn't say love of God first, and love of neighbor, second. But love God and your neighbor, because your neighbor is also made in God's image. But the stakes are high. So you ask yourself, "Who is my neighbor?" In this story in the Scripture, the neighbor was a helpless, beaten man lying in a ditch. A Priest passed him by not necessarily because he was
