Fiddler at the festival

Edgar Stone of Carlisle will play his fiddle at the Annual Blackberry Festival Wednesday, Thursday, Friday and Saturday, at downtown Carlisle. Perfect music for nighty street dancing. Stone will join Sound Attitude in providing the best sounds ever. Also joining the music crowd will be Phil Hillock, father of band member Mike Hillock.

EYE Q

Improving Children's Vision

(NAPS)—Q. What are the advantages of early eye exams and what can parents do to make them easier?

A. Early detection of eye problems can make the world seem considerably brighter to a child. Undetected childhood vision disorders can affect learning and lead to self-esteem problems. To make early exams a positive experience for your child, plan the appointment early in the day so your child is less likely to be tired. Discuss the exam before going and encourage questions. Let your child pick out his or her own frames. Comfort is essential. Choose a professional who has worked with children and can put them at ease.
