County road improvements scheduled

FRANKFORT, KY, Road improvement projects are about to get underway on rural roads in Nicholas County. Nicholas County Transportation Cabinet Secretary Dan C. Kelly has announced.

Over the past three and a half years the cabinet's Rural Secondary Program has pumped over \$85 million worth of roadway improvements into our state's secondary road system, which includes both state and county-owned routes, said Kelly. This program is vital to Kentucky's transportation network, providing taxpayers with a direct return from taxes imposed on gasoline.

Kelly announced the following projects: Nicholas County Anacostat has been awarded to H.G. Moy Corporation in the amount of \$10,279.50 for the completion of the following projects:

Blacktop Resurfacing: 3.15 miles of CR 1016, Almers Mill Road and .97 mile of CR 1014, Buchanan Creek Road. County workers will be responsible for all phases of work on the following project: .10 mile of reconstruction of Miller Station Road (CR 1213)-KY 26 intersection.
