Coach prepares team for winning 1995 season

"A football team is only as strong as its weakest link," claimed Nicholas County High School Athletic Director Tom Baker to the 1995 Bluejackets during the first day of practice July 26.

Coach Greg Letcher went through the "rules" and stressed that attitude is everything and football is always third. First, a family, second is academic school work and football third in the line of importance to a Bluejacket, he said.

"You can leave here before the first game, but let's get off on the right foot. Work hard and make a commitment," Letcher requested.

Letcher is joined by Coaches Robert Hopkins, Mike Woosley, Mike Florence, Jack Hayes, Chris O'Hearn and Gary Williams.

**Freshmen Schedule 1995**  
Aug. 28, Fleming County, away, 5:30 p.m.  
Sept. 5 (Tues.), Mason County, undecided place and time  
Sept. 11, Paris, away, 5:30 p.m.  
Sept. 18, Bath County, away, 5:30 p.m.  
Sept. 25, Bourbon County, place and time undecided  
Oct. 2, Harrison County, home, 6 p.m.  
Oct. 12 (Thurs.), Powell County, home, 6 p.m.  
Oct. 16, Open  
Oct. 23, Lewis County, away, 6 p.m.

Coach Greg Letcher gave detailed instructions from a booklet about the "rules to live by" when a member of the Nicholas County High School Bluejacket Football team.

Assistant Coach Robert Hopkins sported the T-shirt with attitude during practice Monday night, July 26. A student wore a shirt claiming, "Losing is not an option."

Helmets in hand, these Nicholas County Bluejackets commented that Coach Letcher pulls a strong (verbal) punch during football practice pop talks!

Relaxation was okay in the weight room as Head Football Coach Greg Letcher discussed attitude. But within minutes, the guys were on the football field, without shade from the summer sunshine. Learning how to win was the only thing they thought about.

We live in a day when there doesn't seem to be enough time to rest. Our schedules are so hectic that we find ourselves under a lot of stress. Many businesses have hired full-time consultants to train people how to deal with stress. Some companies are even having training that may be crossing over into the secular, having people meditate and eastern religion practices.
