Hopefully we can raise our little boy the way he deserves to be raised.
And let's pray to God he doesn't end up like you! I love you!

April,
We're finally here. We have been through everything that someone could ever possibly go through. I love you so much and I want you to know I will always be there for you. I really miss all the good times we have had. Maybe one day Brad will loosen up and let us go riding around. I had so much fun with you. Your parents always treated me so good and your ma and pa acted like I was also their granddaughter. I know you loved pa, so if you ever need me I'm right here.
Love always,
Erica
Angie & Tiffany,
My two sisters. We have fought, argued, but always loved each other. Angie, it's hard to believe you are all grown up. Married and living out on your own. I'll never forget the fights we had, (scars) I love you to death and wish you the best in life. I'm really glad we are so close.
Tiffany, I can remember when you were a little baby, but now you are almost as grown up. You are going to be a beautiful little girl. I love you very much.
Love,
Erica Lea
