The time is approaching fast for me to graduate and begin a new walk in life. It is finally time for me to try to say goodbye to Nicholas County High School. I hope that we will be able to forget the few bad times we have had and begin to make good new memories. I want to thank you for putting up with everything that I have dished out but most of all I want to thank you for being my mother and a special friend at the same time.

Your Daughter,

Dad & Carol,  
The road was long in which was traveling for me which to arrive at this very special moment in my life. On June 11, 1995, I will be graduating and beginning a new life. This new life will be filled with ups and downs, happiness and sadness and joy and sorrow. I hope with the guidance I have been given over the past few years I would be able to make the correct decisions to make my life more simple. I want to thank you for everything I may have done wrong.

**Love you,**  
Jennifer  
Tracy,  
Can you believe it is time for us to graduate and move on with our lives? I know that this year seems as though it has just begun but we have stuck together through it all. I want to thank you for everything you have done for me. You have always been

It isn't necessary to name your names. You know who you are. We're glad we met each other and have become such good friends. You have taught us a lot about how to live our lives to the fullest. Thanks for the good times. There are many more to come.

Mandy & Candace  
Mom & Dad,  
This past year has been one of the toughest years of my life. John moved out and started college. Then the family was split with dad moving to Hardtown and mom and I stuck in Carlisle. Although a few people in this town try to stir our family apart, we held together. In fact the bonds our family shares are stronger than ever. I want to thank both of you for everything you've done to support me. Most of all, I want to thank my father for teaching me to be proud of myself. I know what you did for this school and community and one day the people who tried so hard to get rid of us will realize all the great things you did. I will always be proud to say we're Gilbert, Jr. is my father.

**Love Always**
