Keep industry out of Carlisle? inquires reader

Dear Editor,
I read your article about Carlisle and the textile industry. This brings up a point and question that needs to be solved.

I have heard the rumor that some people had signed agreements to keep other industries out of Carlisle and Nicholas County.

It's a unique opportunity for every Kentuckian to "own" a piece of the U.K. Basketball Museum.

It is a unique opportunity for every Kentuckian to "own" a piece of the U.K. Basketball Museum.

Let me tell you a little about it. The museum will be located in the Lexington Civic Center next to Rupp Arena.

"I say that 'hull feathers' and if anyone thinks politics works like that they need a reality check."

I say that "hull feathers" and if anyone thinks politics works like that they need a reality check.

UK fans unite: basketball museum needs your support!

Dear Editor,
Through this letter is addressed to you, it actually is meant for fans of U.K. Basketball, the true fans of the game and the players who wear and have worn the blue and white colors of the University of Kentucky.

We need you support, and we need it today.

LEIGH'S LINES

OWNED BY LEIGH STONE, MANAGING EDITOR

Congratulations to the Nicholas County High School seniors Candace Gilbreath and Nicholas Smith who were named winners in national competition at the Louisville Science & Technology Fair.

Frankie Feabek of Headquarters visited the Merc office last Thursday. She usually buys her Merc at McDonald's Grocery.

Spring Break for Nicholas County School staff and students is going well, according to the store manager.

Thanks goes to Carol Sparks and Ginny Kasper for the education program they put on last night at the Carlisle Depot.
