PUBLIC HEARING NOTICE

To all interested citizens of Nicholas County, Kentucky. The Kentucky Department of Local Government is accepting applications under the 1995 Community Development Block Grant (CDBG) Program. The following information concerning the CDBG program is available for public inspection:

A. Amount of funds available and range of activities that may be undertaken.

B. Estimated amount of funds proposed to be used for activities benefitting persons of low and moderate income.

D. Records regarding the past use of CDBG funds.

E. A summary of other important program requirements.

The above information is available at the Nicholas County Courthouse, Office of the County Judge-Executive, Monday, May 8 through Friday, May 26, 1995 during regular business hours.

A public hearing will be held on Friday evening, May 12, 1995, at 7:00 p.m. on the first floor of the Nicholas County Courthouse in Carlisle. The main purpose of this hearing is to obtain views on housing and community development needs, review proposed activities, review the proposed application, solicit public comments and inform citizens that technical assistance is available to help groups representing low and moderate income persons in developing proposals.

COMMENTS ON APPLICATION

A copy of the CDBG application will be on file in the County Judge-Executive's Office at the Nicholas County Courthouse for citizen review and comment during business hours beginning at noon on June 30, 1995. Individuals will have the opportunity to review the proposed application and comment on the project. The county is proposing to submit an application through the Public Facilities Projects category of the CDBG Program. some money. If we can give them $1,000 I'd like to."

Mayor Clark said the city allotted Tourism Inc. with $6,000 last year, but didn't know what amount would be contributed this year.

No motion by magistrates was made for giving Tourism funding. Since the meeting was an initial budget meeting, many decisions will be delayed until all necessity expenditures are decided, magistrates agreed.

ROADS

Magistrate Juanita Smith's voice sounded clearly when she told fellow magistrates she didn't get prompt action when asking for her district's roads to be patched. She said she spray painted fluorescent orange on specific areas and she'd like them blacktopped. According to Judge Chuck Smith, magistrates may have their roads patched.

Two magistrates a year split $60,000 apiece for road pavement in their district. Magistrate Smith's turn comes next year.

Stacy said he understood Smith's concern. "You take a survey of the people and the only thing on their minds is the roads they drive on, not the county extension service or the jail or the landfill. It's just, 'When in the hell are you gonna fix my roads?' They want it spent where they can see it."
