Fifth Third Bank Working Hard To Be The Only Bank You'll Ever Need!

It's enough to make you want to lie about your age! If you are over 50, ask yourself these questions and compare your bank to Fifth Third's Club 53.

Does your bank offer no monthly service fee with a minimum \$100 daily balance? Does your bank have an interest bearing account with a rate as high as Fifth Third's? Does your bank offer free personalized checks, free travelers checks and free office copies?

Does your bank offer bonus rates on Certificates of Deposit? Does your bank offer discounted safe deposit boxes? Do you get discounts on group travel? Do you receive free estate planning and retirement management services?

And to top it off, if your bank named "91 Bank of the Century" two of the last three years by U.S. Banker magazine? If you answered "no" to any of the above, say "yes" to Fifth Third Bank's Club 53.

*A \$100 minimum deposit required for all Flat Wall Paint. CD's, 90 days or longer. Certificates are available at any branch. Funds may be applied to pre-approved CD's. Member FDIC and Member Federal Reserve System.
