

Church Corner

The Rev. Richard Gardner of Oakland Mills United Methodist Church came across this article...

Live churches evangelize. Dead churches are dead. It is obvious that churches are not in a better area...

Live churches have lots of new kids. Dead churches are fairly quiet. Live churches experience all ways exceed their income...

Live churches are often and earnest about praise. Dead churches aren't. Live churches are constantly improving and planning for the future...

A MISSION AT WORK

DEFINING THE FUTURE OF HEALTHCARE

In communities throughout the Commonwealth of Kentucky, the Columbia mission is a work. A mission to respond to the medical needs of individuals through networks of locally-managed hospitals and healthcare facilities. A mission to focus resources for greater efficiency and improved health care for every patient. A mission to apply the latest medical technologies for healing young and old alike. A mission to create for physicians the environment needed to work miracles of life.
