Golf Digest has named Alabama in the top three in its list of 10 best states in the nation for golf values... And *Forbes* Magazine has already named the Robert Trent Jones Golf Trail as one of the top 10 trips in the world... "No golf aficionado can match this year's *Forbes* & *Forbes* Magazine's choice of the world's most beautiful Robert Trent Jones... These statistics were not easily pushed by Alabama's Robert Trent Jones Golf Trail, for the course has long been ranked among "the best in the world" by *Golf Digest*. "The most important is what's prompted all these honors... the opinions of golfers who have played the trail..."

- "Golf at its best. A stunning variety of scenery."
- "Country Club atmosphere."
- "The best bent grass greens anywhere."
- "Probably number one in the country."
- "Worth the drive from anywhere."
- "Finest overall facility on the planet."
- "161 is a straight, or hit a cken."
