Nicholas County Jr. High football "did it again"

By Kim Trussell
Specialist To The Mercury
Nicholas Co. Jr. High football did it again Thursday night Oct. 12 with a win from seventh and eighth grade.

The seventh grade game started off with Robbie Ring receiving the snap off and returning it five yards. Runner Jack Fryman then bustled up the field for an eleven yard first down. After that Nicholas Co. momentum just kept on building. The Cougars received the ball on downs, but the first up, Jackets defense held them to less than eight yards. On their third down the Cougars had number 27, Wally Withrow just as the first quarter ended. The second quarter for Jackets came out and on the second play Scott Terrell, seventh grade quarterback, tipped into the endzone for Nicholas first touchdown. For the two point conversion number 10, Josh Fryman deposited the endzone ending the half. Nicholas 8, Clark 0.

The Cougars proved they weren't going to give without a fight. Cougar Greg Melton carried the ball for their first touchdown. Cougars 16, Clark 0. In the second "shootout" both teams were out short and the score stayed tied.

The third and final "shoot out" the Cougars were on the one yard line but once again the Nicholas County defense held tough. The Jackets Dustin Hill carried the ball straight up the middle for a touchdown going the Jackets to win. Final score Jackets 22, Cougars 8.

"We all just tried to work hard in the game," stated 7th grade fullback Dustin Hill.

The eighth grade game started out with Conkright fumbling on their second down. Nicholas number 74, Robbie Hiddle recovered the fumble. Weston Smoot, number 29, took the ball up the field for a 62 yard touchdown with 2:03 left in the first quarter. The Cougars tried to get something going when number 44, Aaron Frazier, received a pass for a Cougar touchdown.

Coach Brian Hoptkin seemed enthusiastic when he said, "We know the 8th grade would be a hard game. These kids really worked hard and deserved the have a winning season. At the beginning no one gave them a chance and they've shown hard work pays off."

About the eighth grade game Hop said, "It seemed like it was an easy victory but we didn't play well. Defense only gave them one score but we've given them too many yards. I hope we are ready for next week's showdown with their conference championship on the line."

"I hope we are ready for next week's showdown with their conference championship on the line."

The offense was great but we weren't against the competition we will be next week."

Jeremy Hunter, fullback, said about a win on his birthday. "We won with a team effort. We just tried to work hard in the game and do the things the coaches had us do."
