Just dial toll-free from anywhere in the nation 1-800-447-ROADS (800-458-7623).

Motorists can also access the Kentucky Road Report through four of Kentucky's welcome centers, along I-75 in Boone and Whitley Counties and along I-65 in Simpson and Bullitt Counties. Using interactive computers which provide area service information, travelers can dial the Kentucky Road Report to learn of conditions along their planned route and any suggested alternate routes. Copies of the Kentucky Road Report also can be received by dialing 1-800-447-ROADS from a fax machine telephone.

So many times, travelers aren't aware of accidents, construction or weather-related road conditions and are unnecessarily delayed. Secretary of Transportation Don Spillane said the Kentucky Road Report will be updated each weekday morning by Cabinet employees and renewed throughout the day as conditions change. Information regarding possible delays due to construction, lane closures, major accidents and weather-related road conditions will be included. This report will allow motorists to avoid accidents, trucking agencies, enforcement agencies, traffic management systems and bordering states to enhance roadway conditions to enhance their own operations and that of the public they serve.
