Laura's Life

Why do we get married? A person would think that he or she would have been asked to put into his or her mind a decision for our future. In today's society I don't know if that's the case or not. It's so easy to get a divorce, one would think that was never love involved. I have heard many people say they stay together for the kids, well it is that bad. If there is no mental, physical or adulterous behavior going on, why not stay exactly where we are. There is not one child that beautiful kids, we see all the time in their eyes, we might all love that so apparent when we got married.

It's On Your Mind Carlisle. By Roxann Jolly. Recently, I had a concerned citizen enter my office to discuss some concerns he had about issues here in the city. When brought to my attention these issues troubled them. The first was the finding and filling of what was thought to be a firewell behind what was previously Dunon's. This electric and I discussed this, and wondered how many more fire wells there were that had gone undiscovered.
