don't realize that small colleges like Georgetown accept students at the midpoint of the academic year, 'Konopaki said. 'You have students from high school and junior college who want to start at midyear, along with transfer students from four-year institu-

new admissions practice, allow-ing Kentucky high school stu-dents to submit essays from writing portfolios in lieu oforigi-nal essays. This will be imple-mented with the 1996-97 spring semester and according to the Kentucky Partnership for Edu-cation Reform, Georgetown College may be the first college of university in Kentucky to take this steo.
