**Pastor's Column: by Rev. James Doughton**

We live in a day when people don't seem to have enough time in a day to what they think they need to do. Even with all of the modern conveniences we have in our homes and businesses, we still don't have time. We look at our watches constantly and wonder what time it is. We are so concerned about time because it is very limited. Because time is so short we must set priorities in our lives.

Many people have time for everything else but God. They read a poem that I would like to share with you that was written by Norman L. Trett. I hope this will get your attention.

No time for God?  
What folk were are, to clutter up Our lives with common things. And leave without heart's gate The Lord of life and Life itself. Our God!

No time for God?  
As soon to say no time To sit or sleep or love or die. Take time for God, Or you shall dwarf your soul. And when the angel death Comes knocking at your door, A poor misbegotten thing, you'll be

To step into eternity! No time for God? That day when sickness comes Or trouble finds you out, And you cry out for God, Will He have time for you?

No time for God? Some day you'll lay aside This mortal self and make your way To worlds unknown.

And when you meet Him face to face Will He should He, Have time for you?

There are many occasions when the residents and commuters of Nicholas County are to be commended for their acts of kindness. A perfect example presented itself this past Tuesday.

While traveling into Carlisle from Morehead, Rhonda Combs and Chimilia Praley were stranded on Morehead Road, due to car failure. Many persons stopped to offer assistance. We wish to commend three gentlemen who came to the rescue: one who drove to the office to notify fellow staff members, one who called his husband, and the Columbia Gas employee who drove them to the office.
