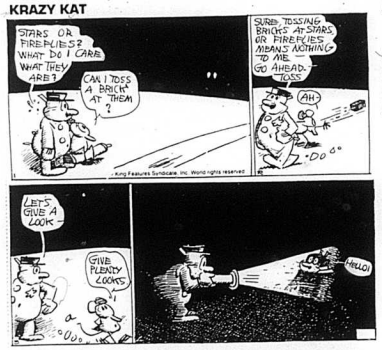
BRINGING UP FATHER

KRAZY KAT



Natasha's Stars

ARIES (March 21 to April 19) You feel good that you can believe in a certain person again. This person has been trying your patience of late. While out shopping, you have some trouble resisting temptation. A co-worker isn't forthcoming with information you need.

TAURUS (April 20 to May 20) That news you've been waiting for finally arrives this week. Something you're concerned about on the work front is a complicated issue and requires more thought on your part. Consult with co-workers to find a solution.

GEMINI (May 21 to June 20) It's full speed ahead on that certain project that had you a bit stymied a while back. At the same time, those around you are indulging in an ego trip. You're at your communicative best over the weekend.

CANCER (June 21 to July 22) A friend is likely to agree with you on a sensitive issue concerning a mutual acquaintance. This person really is only indulging in self-pity and some manipulation. You're both wise not to fall for it. The weekend promises rest and relaxation.

LEO (July 23 to August 22) Socializing is jeopardized this week when someone gets some wires crossed and there's miscommunication. You'll want to withdraw into yourself, but someone close gets you to open up. Later in the week, get out those travel brochures.

VIRGO (August 23 to September 22) A business or financial development that occurs this week ultimately benefits you. The accent is on friendship, although a certain person is cantankerous and difficult and should be avoided. This weekend, keep credit cards at home.

LIBRA (September 23 to October 22) The beginning of the week is best to tackle those domestic chores you've been avoiding. You and a loved one come to a new agreement about your relationship and where it's ultimately leading. You are finally able to be realistic about this.

SCORPIO (October 23 to November 21) You're on the same wavelength with a co-worker and communication improves in general at work. In friendship, you are able to find a solution to a mutual problem when you both put your heads together. Use the weekend for domestic tasks.

SAGITTARIUS (November 22 to December 21) Something you'd been worried about for some time finally dissipates. You're feeling frisky in romance, but you're being too pushy at the same time. Your significant other needs some space right now. Stick close to home this weekend.

CAPRICORN (December 22 to January 19) It's best to put your social plans on hold for a while until you find out what's going on at home. Later in the week, business-related concerns take up your time. However, someone in authority is willing to work alongside you.

AQUARIUS (January 20 to February 18) A financial worry is eased this week with help coming from a surprising source. However, certain family members are itching for a fight and could try to goad you into it. This weekend, something unusual catches your eye while out shopping.

PISCES (February 19 to March 20) You're being a bit of a Mother Hen when it comes to a certain friend who is perfectly capable of solving his own problems. Business deals aren't favored, so patience is needed on the work front. The weekend favors get-togethers with friends.

Dear Diane

by Diane Van Arsdale

DEAR DIANE:

I am 42 and have a 9-year-old daughter from my first marriage. I have custody of her because my ex-wife was an alcoholic and deemed an unfit mother. I am remarried to a great woman and have an infant son with her.

My problem is, my wife and daughter just don't get along. I have to say, I really can't blame my wife. My daughter really does do everything possible to upset our household. She is disobedient and rude and sometimes downright cruel in the things she'll say to my wife. For her part, my wife is now to the point where she doesn't want to have anything to do with my daughter. She has abdicated all responsibility to me and I can't disagree with that.

I know that this behavior is spurred by my ex-wife's manipulations. It seems that every time my daughter comes back from visiting her mother, she really steps up her shenanigans. My problem is, I'm forced by the courts to let her visit her mother and I'm powerless to do anything to stop this. What do you suggest could help us as a family?

IN THE MIDDLE

DEAR MIDDLE:

Children of divorce learn very early on how to play both sides against the middle and try to use that to their advantage. Also, they're angry and confused and oftly feel responsible for the split-up. Thus, I think it's a good idea for you, your wife, and your daughter to go for some family counseling. If possible, see if you can get the court to order your ex-wife to attend these sessions as well. Children shouldn't have to be put in a position to act out their parents' malice toward each other, yet I know so many parents who do this. To me, it constitutes child abuse.
