ATTENTION Job Opportunity Available

US Direct Satellite wants to give you the FINANCIAL INDEPENDENCE you have always dreamed possible. Would you have ever thought making a lot of money would be as easy as watching TV. We have 20 million households in America today. Approximately 20 million have Cable TV. Approximately 15 million have had satellite dishes. As of today, just over ONE Million homes have the new small dish technology. That leaves 70 Million homes with NO CABLE TV. From there was RCA, now there is Sony and other major electronics manufacturers making the new small dish technology NOW! Because US Direct Satellite is the future. RCA, Sony, Magnavox, Zenith, and others can't make the small dish cable as fast as we are being sold. The Cable TV industry believes that just like Radio, TV, VCR's, and microwave ovens that 75% of all homes will have the small dish Cable system before the year 2001! That's why US Direct Satellite needs your help in this money making opportunity of a lifetime. The demand is there now, we can't make, sell, and install systems fast enough. If you would like to be employed in this new, exciting money making business - SEND \$19.95 in a Personal Check or Money Order for our US Direct Satellite START UP KIT. Everything you need to make \$1000-\$2000 a week. SEND \$19.95.
