Laura's Life
OPINION BY LAURA FYMAN
Young man deserves praise
So many times we talk about the bad things children do and never give them for the good.

Bazaar
Expectations of the success of future bazaars are very high according to Auxiliary President Nettie Barnes.

Bazaar
The new format provided several ways for the Auxiliary to raise money: the Craft Boutique, the Christmas Cafe, Bingo, and the Christmas Parade.

Bazaar
One change that further enhanced the success of the Bazaar was longer hours. It started at 7 a.m. instead of 9 a.m. and although they had to get up early, it was the early morning that the Auxiliary was busiest.

Bazaar
The Bazaar is one of two major fund raisers for the Nicholas County Health Care Auxiliary and holds annually. In early 20 years, the Auxiliary has donated more than \$60,000 worth of health care equipment and supplies.

Bazaar
This also provide college scholarships to Nicholas County students entering the health care field and planning to bring back their skills to Nicholas County.

Bazaar
Our mission has always been to help improve the quality of health care available in Nicholas County and, for going on 20 years, we have succeeded, noted Kimberly, former president of the Auxiliary committee.
