GOOD DEALS...AND A GOOD DEAL MORE

Pastor's Pen

By James Daughton
Carlisle United Methodist Church

Many people are preparing for Christmas. Some are shopping early trying to buy the perfect gift for that family member or friend, others are planning the perfect Christmas feast with turkey, ham, and all the trimmings.

Some are looking forward to family and friends gathering together on Christmas Eve or Christmas Day, and many people are looking forward to Christmas being over so they an get on with their lives.

Preparation is a very important part of the Christmas Story, not in the same way that many people prepare for Christmas. God was preparing the world for the coming of the Christ child.

God came in the form of the Baby Jesus to do the most important work in human history. The angel on that first Noel said, "A Savior has been born who would save His people from their sins."

God has been preparing the world for thousands of years. The Old Testament prophets foretold of the coming Messiah in a very detailed way. The very circumstances of the birth was proclaimed by the prophets. The mother of the Messiah would be a virgin. He would be born in Bethlehem of Judea. Salvation of God's people would be the life's work of the Messiah.

As God prepared the world for Jesus first coming, He is now preparing the world for Jesus second coming. However, between Jesus birth and His second coming there would be a cross. The would have to a sacrifice before there could be forgiveness of sins. Jesus went to a cross that we might receive salvation. So Jesus, God's Messiah; has earned the right to be not only Savior of Mankind, but King over all the Earth!

The season of Advent is practiced in many churches as a time of preparation for the receiving of Jesus into out lives in a fresh and new way. It is a time of reflection and meditation on things in one's life what needs to be taken out so there would be room for Christ.

Many in our society today have no room for Jesus. They have even pushed Him out of the Christmas celebration. If we take Christ out of Christmas, there is nothing left. It becomes an empty and meaningless experience. Christ in Christmas will bring peace on Earth, exceeding great joy, and love from our heavenly Father.

This Christmas season we need to be careful to keep Christ in Christmas. We need to keep our focus on what happened that first Christmas and share that message of salvation to others. We need to prepare our hearts not only for the first coming of Jesus but His second coming as well! My prayer is that you have the most Blessed Christmas of all this year!
