**Firefighters, EMS train**

Local E.M.T. and Carlisle City Fire Fighters took part in a driving course for rescue training on Sunday July 14, 1998. The courses are given on an annual basis and every technician must take it. For people who are a "first timer" the class usually takes eight to 12 hours. For those who have completed the class before the class only lasted six to eight hours. The instructor who conducted the course was James S. Greene, Fire / Emergency Services Educator from Versailles, Ky. The class was given by Ky. Tech of Lexington, Ky. At the end of the month technicians will be taking part in another class for hazardous materials. Nodate was given at press time.
