Students and teachers from Nicholas County Head Start prepare to launch balloons in the first ever balloon launch held at the school in recognition of Young Child Week.

Pastor's Column
Rev. Richard Gardner
How Can We Neglect So Great A Salvation?
Just as it was yesterday I can remember as a child growing up in Louisville, Kentucky, with one brother and two sisters. My father was a retired Air Force pilot that had served during the Korean War. As a young man in the grade I remember many things that stood out in my young life. Yes we were taught and knew in our hearts that America was truly the greatest country in the world.

I remember how we were taught "The Pledge of Allegiance to the Flag, I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation Under God, indivisible with liberty and justice for all."

Most of us in this world have more wealth and more luxuries than our parents had, or any other country has ever seen. Only one thing has changed today we have forgotten where all these things have come from. We live in a country that has forgotten God and left God out of almost everything.

Have we forgotten the Americans and people that it was God that created the Heavens and Earth and blessed the good old USA? And that it was our forefathers that found and formed this great country under God's guidance and leadership.

Most all of us today believe in the beautiful heaven God has prepared for us. But have we forgotten there is also a Hell? Modern day preachers have taken Hell out of the Bible, but it still there, and always will be. In the book of Second Chronicles, Chapter 7, verse 14, it says, "If any people which are called by my name, shall humble themselves and pray and seek my face and turn from their wicked ways, then will I hear."

Heaven, and will forgive their sin, and will heal their land. What is it going to take to wake America up? Well, going to church won't get you to Heaven, but at least a start. Go to the Church of your choice this coming Sunday and join in with the Pastor and the congregation. Let's get back to letting God run our lives and the Church and our whole nation.
