BABY CALVES: 35.00-70.00 per head.

Cooperative Extension Service
University of Kentucky • College of Agriculture

Although it doesn't much feel like it, Spring is half-way over. Here in Nicholas County, that means the traditions of summer are just around the corner. One of the most imprtant of these traditions is 4-H Summer Camp.

In the next week, every child (ages 9-18) in Nicholas County should receive a copy of the Nicholas County YOUth News, the newsletter of the Nicholas County 4-H program. In this newsletter are complete instructions and registration forms for the Nicholas County 4-H Summer Camp. If your child does not receive this newsletter, then please contact the Nicholas County Extension Service so we can add you to our mailing list.

Nicholas County 4-H will attend camp this year July 15-19, and we'll be camping with Bath, Bracken, Morgan and Rowan counties. Camp cost is $72.00, and will cover lodging and food costs, and the additional costs of camp classes. Campers stay in modern cabins with bunk beds with other campers from Nicholas County. Campers are fed three meals and two snacks per day, and have opportunities to purchase additional snacks from the Camp Country Store. We have space for 45 campers this year, and spots will be reserved as paid registrations are received.

There are few other programs that young people enjoy and that contribute to their positive development as much as summer camp programs like 4-H Camp. Campers learn to become self-directing, productive and contributing members of society through the programs planned and implemented by the UK Cooperative Extension Service. The 4-H Camping program seeks to meet these objectives through fun, educational experiences designed to aid in the development of desirable changes in the participants's knowledge, skills and attitudes.

The Extension Agents for 4-H/Youth Development from Nicholas, Bath, Bracken, Morgan and Rowan counties have been meeting for the past two months to plan the 1996 camp program. Several exciting and interesting programs and classes are planned, and your child is sure to enjoy herself/ himself during the week at 4-H Camp.

Activities include arts and crafts, boating, archery, forestry, firlery, volleyball, basketball, swimming, fishing and much more. There will be a number of special programs at camp this year as well.

In order for the Nicholas County 4-H camping program to be as successful as possible, there are some essential needs which the Nicholas County community should help to meet First, we are in need of men willing to devote a week's time (Monday-Friday), July 15-19, as Camp Counselors. The children in this county need positive male role models, and there are few opportunities for adults to have such a great influence on young people as there are at 4_H Camp.

There is no experience necessary to be an Adult Camp Counselor, and it doesn't cost anything. Complete training is provided at your convenience. While the summer months are busy for many Nicholas County men, there must be some out there willing to take a week to invest in the young people of Nicholas County who attend 4-H Summer Camp.

If you're concerned abouth the youth of Nicholas County, and want to take advantage of a unique opportunity to have a positive influence on the lives of young Nicholas County men, then call the Extension Service office today for more details. You won't be sorry that you did. In fact, a week at 4-H Camp will probably be one of the best experiences of your life. Call today to find out how to become a Camp Counselor for the Nicholas County 4-H Summer Camp.

Another component of the camping program that is necessary to ensure its success is our Camp Scholarship program. Last week, 77 Nicholas County businesses and individuals received letters requesting their participation in our camp program as sponsors of 4-H Camp Scholarships.

There are a number of children in the Nicholas County community who would love to attend 4-H Camp, but they don't have access to the money for the camp fee. A donation from you and/or your business can make a huge difference in the lives of children like these. Our camp scholarship program provides opportunities for personal growth and development, as well as for memories that campers will cherish throughout their lives.

There are few opportunities for the business community of Nicholas County to have such an enormous impact on the lives of Nicholas County children as those presented by the Nicholas County 4-H Camp Scholarship program. For a donation of only $72, you can send one child to a five-day, four-night summer camp that could change their lives.

Last year, 12 scholarships were donated by eight individuals and businesses in Nicholas County. This year, we'd like to see that number doubled, at least. Now is the time for you to step forward and invest in the lives of Nicholas County young people. Don't assume that anyone else will do so. If you don't do it, then it probably won't get done.

If you did not receive a letter requesting your participation in our Camp Scholarship program, and you would like to receive one, then please call the Extension Service office today. If you did receive such a letter, then please give strong consideration to sponsoring one, two, five or ten camp scholarships. Your donation is tax-deductable, and your investment will pay dividends throughout the lives of the children who receive your scholarship.

The Young Family Cabin sits proudly at the North Central 4-H Center. The cabin was dedicated on Sunday, May 5, in a ceremony held on the grounds at the center. The cabin will be used for educational purposes, the upper level will be utilized for the display of artifacts forun on the grounds at the 4-H Center.
