Brown explains changes in voting laws

Secretary of State John Y. Brown III, Kentucky chief election officer, recently released information laws that affect the conduct of the May 28 primary election in Nicholas County.

"There have been changes to some laws that voters need to know about," Brown explained. "I want to call attention to several unchanged laws, too," he stated, "because several are quite technical but affect voters in important ways."

The 1996 General Assembly changed three laws that will affect voting in the May 28 primary election. The first change permits minor children to accompany adults in the voting booth to witness the voting process.

The second change provides local school boards the option of keeping schools open on the May 28 primary election date in order to make up days lost to illness or inclement weather. Previously, Kentucky law required schools to be closed on both the primary and general election days.

The third change removes the requirement that county board of election members supervise absentee voting on the voting machines in the county clerks' offices. This change is expected to save local governments about $100,000 statewide. County clerks and their deputies will once again supervise this voting process.

Don't miss out on a single issue of your Carlisle Mercury. Call or stop by the office today to renew your subscription, or you can mail in your order. We will even bill you at a later date. Payments can be made in cash or check, or you may charge to your Visa or Mastercard. Our phone number is 606-289-2464.

Nancy Hutchison and Mr. Ed Watkins proudly display some of their handcrafted quilts

Quilt maker has many unspoken talents

By Kristie Harrod
Of The Carlisle Mercury Staff

Meet "Mr. Ed" Watkins. Mr. Ed, as he prefers to be called, is a 77 year old native of Carlisle and boy does he have some stories to tell.

Mr. Ed is unique in that, unlike other men in his age group, he is a budding quilt-maker. He began the trade in February of 96 and since then he has assembled about 100 twin-bed coverings.

Mr. Ed lives with his 80 year old cousin, Nancy Hutchison. Watkins says they have taken care of each other since 1975. Hitchison is an experienced quilt-maker with somewhere in the neighborhood of 500 quilts under her stitching belt. Mr. Ed says he has always sewn his clothes, and when he serve the country in the Army and Navy, he made extra spending money by sewing patches and stripes on the uniforms of other soldiers.

Mr. Ed has sewn everything from his own pants to leather goods such as, gun holsters and shoe tops. Hutchison engouraged him to begin quilting and both get much enjoyment from their handmade works.

Watkins is a member of The Assembly of God Church in Carlisle and is a bit of a songwriter. He has written over 100 gospel songs in his lifetime which he also performs on occassion at the church. Mr. Ed says his philosophy of life is "Don't do anything unless you consult God about it first."

Aside from the gospel songs, composed throughout his lifetime, as a child Mr. Ed wrote a song he calls "The Carlisle Cannon Ball." This song was written about the dinner train that used to run through Carlisle. The lyrics are as follows; *I was born in Nicholas County, down on the old Clay Farm, deep in her valleys, they hid their moonshine still. I've been a lot of places, for across the sea, Give me Carlisle, Kentucky, its home sweet home to me. Carlisle's a little one horse town, along the railroad tracks, a train coming in, or one going back. We're headed down to Maysville, farther down the line, they're setting the dinner table, its almost dinner time. You can hear her in the evening, way down the line, she'll be screaming bloody murder, as she rolls in on time. When they lay me down to rest, bury me beside her rails, so I can hear her screaming by, as she brings the Carlisle mail. The call her the dinner train, a name above them all, to those who she'll always be, "The Carlisle Cannon Ball."*

DURING OUR SPECIAL SALE, THE EXCEPTIONAL VALUE OF ANDERSEN HAS BECOME EVEN GREATER!

Even when not on sale, Andersen Windows and Patio Doors offer unequaled ongoing value through low maintenance, lasting beauty and energy savings. Now, for a limited time, enjoy additional savings during our store-wide sale.

Whether you're building, remodeling or replacing windows or patio doors, you'll want the unequaled long-term value of Andersen products. Our window and patio door experts are standing by to guide your choice and installation of Andersen products during this sale opportunity!

Quality Andersen products are seldom on sale. Take advantage of this rare opportunity to save!

Awards

Governor's Cup Competition, the Kentucky Youth Assembly, the Kentucky United Nations Assembly, District Band Competition, and received a superior at the Solo and Ensemble Festival. Level four students have earned 100 points or more in three areas of competition. "It is a great accomplishment for a freshman to be able to accumulate the amount of points these two students have, to be eligible for a level four honor." said Gardner.

Other students receiving a level four honor were, Junior Lydia Wilson, she participated in the All "A" Classic, the Limestone League, the Governor's Cup Competition, the Kentucky Youth Assembly, the Foreign Language Festival. Wilson also received the National English Merit Award, the United States Mathematics Award, the U.S. National Leadership Merit Award and a superior rating at the Solo and Ensemble Festival. Jeff Roberts, who is also a junior, received honors for his participation in the All "A" Classic, the Limestone League, the Governor's Cup Competition, the Foreign Language Festival and received

a National English Merit Award and a National Mathematics Merit Award. Junior, Megan Metcalfe received the honor of level four in recognition of her accomplishments on the "In the Know" program, the All "A" Classic, the Limestone League, Governor's Cup Competition, the Kentucky Youth Assembly, participation in the Dramatic Production, the Foreign Language Festival, Future Homemakers of America/STAR Events, the Kentucky United Nations Assembly. Metcalfe has also received a National English Merit Award and participated in the S.P.O.K.E Conference. Junior, Jonnie Bentz, received level four honors for the All "A" Classic, the Limestone League, the Governor's Cup Competition, the Kentucky Youth Assembly, The Kentucky United Nations Assembly, the dramatic production, the Foreign Language Festival, the Morehead State Regional Art Contest, the District Band Competition, and receiving a superior rating at the Solo and Ensemble Festival. Bentz also received the honor of participating in the Governor's Scholar Program this summer and received National Merit as a junior. Senior, Shannan Wheaton was honored for her contribution to the Academic Team on the "In the Know" program, participation in the All "A" Classic, the Limestone League, the Governor's Cup Competition, the Kentucky Youth Assembly, the dramatic production, the Governor's Scholars Program, and the National Honor Society. Kyle Smood, junior received level four honors for his accomplishments in the All "A" Classic, the Limestone League, the Governor's Cup Competition,

the International Science Fair, the Louisville Science Symposium, the Kentucky Youth Assembly, the District Band Competition, and the Governor's Scholars Program in which he participated as a junior. Smood also received recognition in the Science and Math Achievement Program for Science. Senior Karen Livingood was recognized for her participation on the "In the Know" program, the All "A" Classic, the Limestone League, the Governor's Cup Competition, the Kentucky Youth Assembly, the dramatic production, the Governor's Scholars Program and the National Honor Society. Senior Jan Hamon received honors for her participation in the All "A" Academic Competition, the Limestone League, the Governor's Cup Competition, the Kentucky Youth Assembly, the District Band Competition, Future Homemakers of America/STAR Events. Hamon also received a superior rating at the Solo and Ensemble Festival, and was honored by the Science and Math Achievement Program for both Science and Math.

Gardner elated to the fact that ten high school students lettered in academics this year.
