process. Therefore, the schools are working on ways to improve those rates.

Citizens comment at school hearing
The following are comments and direct quotes from people who spoke during the Nicholas County Board of Education's public hearing Tuesday night for state board facilities approval. The names are listed in the order they spoke during the hour and a half hearing.

Mike Poyser - Commented the board for all had to provide a feasible plan and a budget for the school. He had ideas and that he appreciated all the LFC had done. My concern is to build upon the existing building. It's a time issue. If we build a new school, what is to be afforded it?

Tony Hensley - He mentioned that business, many of the people who are moving headquarters to Carlsville. He mentioned that business that Kentucky wasn't doing to attract people.

Donna Gail Mattox - A Nicholas County parent, member of the LFC and a Nicholas County school board member. She mentioned that business that Kentucky wasn't doing to attract people.

Andy Smith - A teacher at Nicholas County Elementary School and a graduate of Nicholas County Elementary said throughout the meeting's hour that he had positive things about the school system.

Continued from Page 1
to me. I don't want to fill the obligation of 702 KAR 0101. It's the least thing in the facilities process...

THERMO-TILE

Staffs at both Nicholas County schools are dedicated and are going to have to work hard to stay focused on teaching the Core Content for Assessment which is given to them by the Department of Education.

Education
Each school has to be able to have a writing portfolio. Math portfolios are optional this year and students in grades 4, 5, 7, 8, 11, and 12 will be given the KRIS-COE Assessment.

classes and with KRIS results as they are. It would be difficult to provide information upon classes and with KRIS results as they are. It would be difficult to provide information upon classes and with KRIS results as they are.

Bill Hardin - A taxpayer in Nicholas County and he'd like to support the board in its plan for the school. He'd like to support the board in its plan for the school. He'd like to support the board in its plan for the school.

She also asked the board to note when she renovates, the cost is always more than initially expected.

They have a building that they're not going to let build until they're talking is taken care of."

Randy Eversley - Superintendent

if we have \$1.8 million in bond money, we'll take that as additional capital for the \$1.8 million. He mentioned that business that Kentucky wasn't doing to attract people.
