

Seventh grade takes on Cougars

By Laura Fryman
The Nicholas County seventh grade team took on Flemingburg Simon Middle School Monday Nov. 25 at Flemingburg.

The first minutes of action had Kyle Rector shooting two free throws with him making both attempts and Josh Hunt shooting two points and Darrin Herrington also putting it in the basket for a three point shot that made Nicholas come up on the board and leave the Cougars up by one at the end of the half.

The eighth period game got started on a better note with a free throw and Kyle Hunt, Josh Hunt and Leslie Earlywine all three put in the basket for two

points, but Fleming answered right back with Frym making two baskets and Crain and Marshall also making a basket for them selves.

The seventh graders didn't look like they were ready to give up in the last period scoring 10 points with Rector, Herrington, Minton, Hart and Leslie Earlywine making baskets.

The eighth grade Nicholas County Bluejackets went on the run Monday night.

In the first period of play Forrest Hunt scored six with Jeremy Dunn following right behind with a three point basket and a two point basket.

B.J. Tinscher also had points in the second and third periods rolled one of his finger tips to put two points on the board.

The second period started with as much excitement as did the first with Forrest shooting for six points at every angle on the floor. Josh Fryman also went in for a lay up to help the score

board just a little bit more. Mitch Mitchell also contributed with his free three shot to add one point on the board. At the end of the score board looked wonderful with Nicholas leading by 11 points.

The fourth period Forrest really turned on with eight points and Jeremy Dunn with four, Jacob Broderick put a free three to give us one more point with the Fleming County Cougars Gramis and Owsby and Gally making baskets to put the score 37 to 17 Nicholas County.

The fourth period gave a few points to Fleming when Nicholas got into foul trouble and the Cougars went into bonus. B.J. Tinscher did let that stop him with two baskets and also two points at the free throw line. Chris Earlywine also put one two in at the free three line and the final score 44-22 Nicholas County.

Nicholas will play again Monday Dec. 2 at 6:00 p.m. away

Varsity football players received recognition from Head Football Coach Greg Letcher at the dinner.

The federal government has passed legislation that will drastically change government assistance payments to many people in Carlisle and Nicholas County.

Benefits to welfare recipients will be reduced or stopped and employment (or preparation for employment) will be required to maintain some of the entitlement benefits.

One of the main goals is to create families that are self-sufficient through meaningful and sustaining employment.

Trenchard will look grant money to the state will support plans to move individuals and families off the welfare role into jobs.

Through the Kentucky Temporary Assistance Program, State Government is encouraging local involvement toward the onset of welfare reform.

A group of local citizens is beginning work on how KATP will work in Nicholas County and is asking for involvement of all citizens to be part of creating the plan that is specific to the county and its citizens.

The next meeting to work on this plan will be held on Dec. 2 from 7 p.m. until 8:30 p.m. in the basement of the Nicholas County Library.
