- **Joseph Veeman**, 24, of LaGrange, received his bachelor of science degree in police administration from EKV. He is married to Judy Berk Veeman and is the son of Ed and Linda Veeman of LaGrange and Laura Mudd of Louisville.
- **Michael Veeman**, 24, of Mason and Fleming counties. This information helps make more educated decisions about their investments.
- **Allow victims of corporate fraud to receive a greater share of their losses.** Experts say that under today's system, shareholders average only six to 14 cents for every dollar lost in a securities fraud case.
- **Allow investor capital to be put to productive use—with R&D and jobs—rather than pay settlements and legal bills.** Experts agree that action is needed to change current securities laws to protect investors. The legislation currently being considered by Congress will encourage growth, jobs and opportunity.

October is National Breast Cancer Awareness Month

SAVE \$25.00
 (And possibly your life.)

Up to \$25.00 off a screening mammogram

If you're a woman age 40 or over or your family has a history of breast cancer, a mammogram is your best means of early detection, as well as a breast exam by your physician. A mammogram can detect tumors much smaller than you can feel, and earlier detection means more effective treatment. In honor of Breast Cancer Awareness Month, this coupon entitles you to receive up to \$25.00 off the fee not covered by insurance when you have a screening mammogram at Columbia Hospital Paris.

This discount offer does not cover the radiologist's reading fee, and does not apply to mammograms covered by Medicaid.
