WHAT IS THE EDUCATIONAL PREPARATIONS FOR PHYSICAL THERAPISTS?

This is not a question answered easily or correctly by most individuals in today's society.

It accepted this a physical thonigy program, the student is instruminely schooled in such testics as furnay macrony and physically less gare, recurrentations, and many controlled in such testics as furnay macrony and physically less gare, recurrentations, and many coprofination is apply and relegant plasmous hearned between eith practice furnay electrics of testical schools maked the process eith practices in the process of the process o

Finally, before beginning practice as a physical therapist, the individual must pass a licensing examination in the State in which they wish to practice, certifying them as a Licensed Physical Therapist. To be eligible for State Icensing each year a Physical Therapist must complete accredified continuing education courses.
