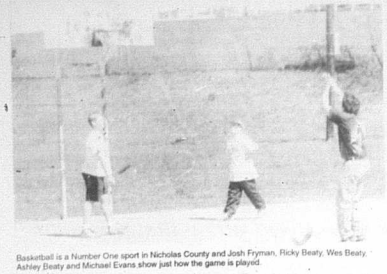
Spring Break means more time for baseball!



Basketball is a Number One sport in Nicholas County and Josh Fryman, Ricky Beaty, Wes Beaty, Ashley Beaty and Michael Evans show just how the game is played.

Spring is the perfect time for photos

(NAPS)—From March to May, it's a true parade of memorable occasions, with the Easter bunny, mothers, graduates—and even Al Fuoda—each having their day.

"To preserve those memories think "photo op," says Dr. Dave Krauss, a family psychologist and practitioner of *phototherapy*.

"Taking and collecting family photographs is one way we remind ourselves, and our children, that our family unit is important," explains Dr. Krauss. "Pictures send a message, often through generations, about what and who was meaningful in our lives at a certain point in time."

Almost 8 out of 10 families have at least one "formal" studio portrait taken of children under 18 each year, according to a recent national survey sponsored by Photography by JCPenney. Most sittings document birthdays or send holiday greetings, says company spokesperson Anne Pryor.

Whether it's a snapshot or a portrait, Dr. Krauss recommends giving some thought to making pictures reflect family relation-

Spring break for the Nicholas County Schools meant plenty of baseball action! Rangers Lee Adkins and Joey Mitchell really enjoy the game.

Baseball is fun anytime, especially during Spring Break!

Portrait Sitting Tips

- Dark backgrounds soften dark hair while light backgrounds illuminate them. The reverse is true for light hair color.
- For group shots, select at least one color in each outfit that is the same.
- Make sure young people are healthy, fed and rested.
- Match color choices. Bright clothes with bright backgrounds and pastels with softer backgrounds.
