Warm Winters & Cool Summers
 Today's new improved heat pumps can give you comfortable year-round with cleaner indoor air, and actually cost less to operate than gas furnaces.

That's because they're more energy-efficient. In fact, in areas served by Kentucky Utilities Company, electricity rates are more than 40% lower than the national average.

So for year-round comfort, take a closer look at today's high-efficiency heat pump.

NICHOLAS COUNTY HOSPITAL
 Strokes Head nurses' Severe illness
 This can affect a person's ability to speak or understand spoken language. Communication - it is so common, and so important, that losing the ability to simply speak can isolate you, make you feel helpless and alone.

Helping people recover the ability to speak is JULIE CAIN, a speech-language pathologist with PROFESSIONAL REHABILITATION SERVICES (P.R.S.), operating the Rehabilitation Department at NICHOLAS COUNTY HOSPITAL.

With a regular treatment schedule, Julie can help restore speech or help people develop new communication skills. With treatment, people won't be isolated and they won't be alone.
