Millersburg Military opens with three wins

By Coach Stephen Seals
Special To The Mercury
MMA opened the season with a 3-0 record on the road at Richmond Model. Early in the game we missed some easy shots but that is expected on opening night. Our pressure really took a toll on Model. In the 3rd quarter we went 20-10. This was the first time MMA has beaten Model since 1986. The War Eagles had 27 points and 30 rebounds and was always in the proper position in our half court defense. Jimmy Johnson turned in a solid performance, 23 pts and 14 rbs. The War Eagles travel Monday to take on Deming in Mt. Olive.

Carlisle Community Action has accreditation

Carlisle Community Action Council child development centers in Fayette, Harrison, Scott and Nicholas Counties have received accreditation with the two remaining centers undergoing the process this year.

County's population slightly decreases, says study

Nicholas County's population is heading downward, according to the 1996 census by the Kentucky Data Center. The Population Projections Evaluation report indicates that Nicholas has a 2.8 percent loss in population since 1990.

Wildlife tax increase could get \$6 million

The General Assembly will be asked to vote on whether to raise the state tax on wild game to \$10 per pound. The tax increase would generate an estimated \$6 million in additional revenue for the state. The tax is currently \$5 per pound. The increase would apply to all wild game, including deer, turkey, and other game animals. The revenue would be used for various wildlife management and conservation programs.
