See these Nicholas County Christmas lights, advises reader!

Editor's Note: A Carle's resident submitted this report. It is not meant to be comprehensive, but rather the winners of beautiful Christmas lights.

The largest number of Nicholas County residents in recent years have decorated for Christmas this year of 1997.

There are many and scattered over a large area but many have concentrated in groups in areas as follows...

The following is a list of areas which have been identified as being nicely decorated. They are beautiful places one may wish to drive around the area of Nicholas County...

1) Sycamore Street, District display, Sharon Way, Anna Lee Lawson, and others.
