I would like a pony with black spots that is real, and an answering machine that has buttons and little things you put in (cassette) and you say Hello & Bye on, and a saddle and small mice, and an other horse present, I want a pretty one, not a picky one. And a new pen going to wrap it? I want to give carrots to the reindeer and cookies to you. I've been going to Sunday School, and I do what my mommy and maw and papaw says. See you on Christmas.
