

Friends of Kaylee Christine Craft dressed as characters from the Wizard of Oz to make her birthday special.

Craft celebrates second birthday

Kaylee Christine Craft celebrated her second birthday with a theme from her favorite movie, "The Wizard of Oz." She enjoyed a day in the world of Oz. The party was given to her by her mother, Tammy Craft.

Everyone did a Great job and showed they were true kids at heart. Thanks to everyone for making Kaylee's second birthday one to remember.

City seeks water plant property

By Leigh Stone
Managing Editor
Mayor Bonnie Clark came back after an hour and 15 minute executive session with City Council at Monday's meeting to state the city's offer to Kim Soble for property near the city lake.

The city will offer Soble \$15,000 for 1.25 acres or \$45,000 for 16 acres of property near the water plant. Attorney Skip Watson said he couldn't reveal what Soble had asked the city for the property. It is needed to expand the water treatment plant and provide a state mandated procedure called for in the production of fresh water. It involved a system of lagoons needed to settle out the backwash, he said. The motion has the provision

of pursuing eminent domain and was put through with a motion by Councilman Tommy Vaughn and second by Councilman Lubby Earlywine with all in favor including Doug Garrett, Frankie Hughes, Shauna Fainster and Randy Ritchie.

Watson said he was with KU at three percent. Watson said he wanted to look over the contract and clarify the number of needed public hearings. "I've been doing this for 25 years. I don't know who I'm confused," kidded Watson.

Henryville and Doreyville areas. Vaughn made the motion to accept with a second by Earlywine with all in favor.

She feels like this is an awful good opportunity. She doesn't apply if she doesn't think she can get it. And this may be a situation where she can apply twice—maybe a million and then another million. Clark said Clark said he also talked to Frontier Vision Cable about the rate hike effective March 1. "I screamed a little bit there to no avail. Next year they'll look at

us for renewal. They said the system would have to be overhauled to give us more channels—it's a shame. It's no prevail."

Clark said he told the cable secretary next time he may buy a satellite dish. "She told me she already had one," he laughed.

Gene Kelley said some dishes were as little as \$95. Earlywine commented about Frontier Vision. "They need better equipment—that's their problem. They're supposed to provide a good service to the people they're serving."
