Saltwell News

By Mrs. Fred Hollar

Mr. and Mrs. Bob Kenney of Covington spent Saturday with Mrs. Gladys Kenney, Miss Fay Letcher and Mrs. Bettie Ritchie also visited Mrs. Kenney on Tuesday afternoon.

Our community was shocked and extended sympathy to the family of Mrs. Loraine Irvin who passed away early Tuesday morning at the Nicholas County Hospital after a short illness. Mrs. Irvin was much loved and a giving person to everyone. She taught her first school year here at Saltwell and she told me so many times it was the happiest year she ever had. She was a good teacher, not only from books but she taught so many good morals for us all to live by. A lovely memorial service was given for her Friday at the Carlisle Methodist Church, which was well filled. We all treasure her memory.

Mrs. Jean Ann Kerr of Winchester spent Saturday night with Mr. and Mrs. Sterling Hollar.

John Lee Allison and Hannah Coldiron were Saturday supper guests of Mr. and Mrs. Gary Hollar. Hannah returned home that night but John Lee stayed over until Sunday night. Ron and Tracy were also dinner guests of Debbie and Gary and visited with Mr. and Mrs. Fred Hollar Sunday night.

Mr. and Mrs. Vaughan Mattox were Sunday dinner guests of Mr. and Mrs. Dwight Purnell, Lori, Beth and Crissie. Other guests were Mike Mattox, Casandra Jolly, Brandon Mattox and Mr. and Mrs. Jennings Mattox. The occasion being Vaughan and Kathleen's birthday.

Mr. and Mrs. Fred Hollar were Sunday dinner guests of Ramona George.

Mr. and Mrs. Sterling Hollar were at the V.A. Hospital in Lexington on Friday for consultation.

Mrs. Rusty Ford and daughters Ashley and Elizabeth spent Sunday with Mrs. Jean Mattox.

Several members of Headquarters Church sold food at an auction held at the Armory on Friday and Saturday night. They sold a large amount of food. The money used for some of the Church's needs.

Congratulations to Robert Doyle (Robbie) for making the Dean's list for the past semester at U.K. again.

Mrs. Phyllis Brady was a Sunday dinner guest of Mr. and Mrs. Charles Doyle.

Mr. and Mrs. Charles Doyle, Mr. and Mrs. A.J. Doyle, Jeff and Jonathan Doyle attended the Farm Machinery Show at Louisville the past week.

NOTICE OF EXPLANATION

Nicholas County Fiscal Court, acting through the Nicholas County Water District, intends to extend public water service to several presently-unserved areas in Nicholas County. The water lines necessary to implement this project must cross 100-year floodplains. The proposed improvements cannot be undertaken in any other location in order to serve the planned areas. There is, therefore, no practicable alternative to the proposed project.

These proposed improvements conform to all applicable State floodplain protection standards. These improvements are part of the County's and Water District's long-range plans to extend public water service. Because this project involves floodplain construction and a crossing of the Licking River (in order to connect to the water supplier), approval will be obtained from the Kentucky Division of Water and other regulatory agencies before start of construction. The proposed action will not affect natural or beneficial floodplain values as it will only cross floodplains located near streams and rivers in order to extend water service to other areas.

It is the County's judgment that the benefits of public water service that will result from this project outweigh consideration of Executive Orders 11988 and 11990.

The agencies involved in this project are the U.S. Department of Housing and Urban Development and the U.S. Department of Agriculture's Rural Development. Comments on the proposed project will be accepted until March 14, 1997. Please send any comments to the address below.

A more detailed description of the project and FEMA flood maps are available for citizen review, during normal business hours, at the county Judge's Office in the Courthouse, Carlisle, Kentucky.
