The Moorefield Homemakers met Thursday, Feb. 6 at the home of Elizabeth Hinton.

At February is Heart Month, Nancy Judy gave a devotion entitled "The Heart of the Matter: Use It or Lose It," with the scriptures from Ezekiel 11:16.

Eleven members and minutes of the January meeting were read and approved.

February is designated International Month for the homemaker organization.

Alma Curtis gave a report on Jamaica, the country being studied this year.

Two club members who had visited Jamaica told their experiences in the Caribbean.

Laura Clark gave the minutes. "Delicious Meals in Minutes."

She told what grocery items to have on hand to prepare nutritious meals in 15 to 20 minutes.

Marjorie R. Wilson reported on "Fifth Disease," an illness affecting the children in our school system.

She said there has been a large number of absences at Nicholas County Elementary School due to the illness.

"Nicholas County is not the only school system experiencing problems with the illness," she said.

"Fifth Disease" is characterized by a bright red rash that makes the child appear the

slapped. It is contagious the week before the rash develops. About 50% of all adults are immune to the disease, she told the homemakers, but she emphasized that if women in her first trimester of pregnancy contracts the disease, the child may still be born.

Salad and soft drinks were served at refreshments and "Cinderella Sisters" exchanged Valentine gifts.

The next meeting of the Moorefield Homemakers will be held Thursday evening, March 6, at 7:30 at the home of Louis Hinton.
