CHAMBER LOOKS TOWARD FUTURE

Guest speaker urges community unity as key to success

By Leigh Stone, Managing Editor. Nicholas County's leaders were asked to work together in unity to strengthen the economic vitality and quality of life in Carlisle and Nicholas County at the Jan. 23 annual meeting of the Carlisle and Nicholas County Chamber of Commerce.

Guest speaker Keith Logsdon, a Northern Kentucky Planner, stressed leadership, commitment and planning as the three ingredients firms needed to compete effectively in the right direction.

Logsdon, who stressed three qualities in all sizes and forms in successful communities, is the right direction.

Logsdon stressed leadership, commitment and planning as the three ingredients firms needed to compete effectively in the right direction.

LAURA'S LIFE

It's time to suffer with taxes - or look forward to a deserved refund!

Residents of Nicholas County are spending more money in the drug stores these days. Their spending for drug supplies has gone up year by year, in step with inflation. Currently, the annual outlay is \$144,000.

Salaries for professionals with tops should really bring this down, that is, as soon as citizens of Carlisle read a notice published in the paper.

BIRTHS-Mr. and Mrs. Kenneth Houder of Eminence, a son, Kenneth Gregory, Jan. 26, Mr. and Mrs. John Henry Stone, Bertsville, a daughter, Patsy Kay, Jan. 24, Mr. and Mrs. Henry Downen, London Bridge, Va., a daughter, Deborah Kay, Jan. 18.

DEATHS-Mrs. Ole A. Hill, 68, Sunday, Jan. 21, Mr. Joe Jefferson Fralser, 83, Monday, Jan. 22, Mrs. L. M. Fisher, 72, Monday, Jan. 22, Mrs. L. M. Fisher, 72, Monday, Jan. 22.

What will you do if you, unlike very smart intelligent people I am not one of those people that fear their money to pay taxes with. And if I am one of those fortunate people that does that refund I will be able to cash it out and spend it.

When we elect individuals to Public Offices which are not qualified or won't maintain some of their own interests as well as the interests of the people.

Register now for free classes. Beginning in February the Nicholas County Elementary School will be using Ginn 2000.

He also noted Georgetown had had a lot of trouble with the plant and that towns need to decide the direction growth will take.

Logsdon said his job was to assist the chamber in providing information to develop a quality town. He said economic development is a part of the chamber's interest, but it's main interest should be developing the area with a plan in mind.

Logsdon said he was a satisfied customer of the chamber's program and that towns need to decide the direction growth will take.

LETTERS TO THE EDITOR

Local government has problems. To the Editors: There are many problems with Nicholas County...

There are two different types of groups of people opposing each other and that has been the first time in 1827 and will attach a copy of a resolution to the many problems.

Nicholas County and the Nicholas County Merchants and the Nicholas County Farmers have been at odds for many years.
