The merger surcredits will be calculated in accordance with the following formula: Merger Surcredit Formula = MS + BA where MS is the merger surcredit per kilowatt hour and BA is the balancing adjustment per kilowatt hour. Applicants are requesting the Commission to approve the transfer of ownership and control of Kentucky Utilities Company and Louisville Gas and Electric Company by September 12, 1997 and a merger surcredit tariff for each utility. The Application, if approved, will authorize the transfer of ownership and control of Kentucky Utilities Company and Louisville Gas and Electric Company pursuant to the Agreement and Plan of Merger. Such action may result in merger surcredits for consumers other than the merger surcredits described in this Notice.

Any corporation, association, body politic or person may, by motion within thirty (30) days after publication or mailing of notice of the proposed Application, request leave to intervene in the case before the Public Service Commission. That motion shall be submitted to the Public Service Commission, 730 Schenkel Lane, P.O.
