Pastor's Pen

Darrell Sexton
Pastor: Carlisle Assembly of God

By the time you read this Pastor's column one of the most important days of the year will have passed. I am speaking of the Day of Pentecost. Though not as popular or as familiar as Christmas and Easter this day that the Holy Spirit of promise was sent into the world to dwell in God's people in a tangible way. Without his entrance into the body of Christ we would not have the direction and mind of Christ. He came to teach us in spiritual matters. 1Cor 2:14 (KJS)" But the natural man receiveth no the things of the Spirit of God: for they are foolishness unto him: neither can he know them], because they are spiritually discerned. "So we cannot know the deep things of God until the Holy Spirit opens our understanding to them.

Secondly, He came to remind us of what Jesus told us. John 14:26 (KJS)" But the Comforter, [which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you, "So we see that the Holy Spirit is the one who actually causes us to remember the scriptures that Jesus Christ taught us.

In the book of Acts the scriptures record so miracles being done by the early disciples until after the Day of Pentecost. After that, miraculous things immediately began to happen. A man was healed who was lame for thirty-eight years, Peter was mirculously delivered from prison, and the church began to demonstrate the power of God. Today, many christians are searching for more of God, and there is more! So much more! Jesus never intended us to simply endure this present life, He wanted us to be overcomers in it through the precious gift that He sent us.

The power of God is still available to hungry hearts. All we need to do is to ask the Heavenly Father for that same Holy Spirit blessing that they received on that memorable day. Jesus Christ is the same yesterday, today, and forever. He is coming after a powerful people, a glorious church, washed in the blood ofthe Lamb. If you are borned again you need to be empowered to get the job done. A shy and embarrassed church will never do what He commanded us to do. Let's come bodly to God and ask for the Holy Ghost boldness to go to the world.

The power they had at Pentecost is not just for a select few. Acts 2:39 (NIV)" The promise is for you and your children and for all who are speaking to were to become believers in Christ first, and then expect the same Holy Ghost power they had witnessed in Him and the others to come upon them. The same is true today for those who dare to believe for it.
